Dear Mr. Brown:

Your letter of February 5th and its enclosures
have been received.

In response to your inquiry, the FBI, at the request
of President Johnson, conducted a prompt, intensive, objective and
thorough investigation of the assassination of President Kennedy.
All the material developed by this Bureau in connection with this
investigation was turned over to the Warren Commission for its
consideration, and the results of our inquiry were subsequently
made available to the National Archives by the Warren Commission.
The FBI has no authority to independently release any information
in these reports.

Sincerely yours,

A handwritten signature in dark ink, which appears to be "J. Edgar Hoover", is written below the typed name. The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.
